**Oceanside Bicycle and Pedestrian Committee  
Project/Program/Initiatives Tracking Sheet  
Updated April, 2021**

**Currently Tracked Projects/Programs**

No.	Project/Program	Status Updates
1	BikeShare Programs: -Coastal cities' joint BikeShare/ScooterShare programs -SANDAG's guidelines development -Oceanside's ordinance	3/15/21 - SANDAG has a scheduled BikeShare meeting the week of 3/15 to update on progress in Encinitas. Trek is the contractor now for Encinitas. Modified dock system with e-bikes only, mini docks throughout the city. Carlsbad will probably not agree to a BikeShare program due to pressure from bike rental companies.
2	Bike Storage Facility grant implementation.	3/15/21 - Essentially complete except for installation of repair stand
3	Loma Alta Creek bridge preliminary design and environmental.	3/15/21 - Should be completed in June. Dokken Engineering.
4	Mainstreet Downtown Shuttle Demonstration Project	3/15/21 - Now not felt likely to happen this summer. Howard to check.

**On-Going Projects/Programs/Discussion Items**

5	Oceanside's Climate Action Plan (CAP) and its Transportation Demand Management (TDM) Ordinance and Plans	3/15/21 - Updates to CAP might be able to add more active transportation content. Pete pointed out the possible link of active transportation as a TDM benefit.
6	Onward Oceanside Corridor Plan (Part of General Plan Update)	Chen Ryan is the subconsultant on the mobility plan. Working on existing conditions.
7	LCI Classes (Cycling in Traffic)	3/15/21 - First in-person class conducted this past month.
8	Coast Highway Road Diet and Incentive Zone	
9	Kelly Street Bike Bridge	
10	SANDAG's 5 Big Moves and their 2021 Regional Transportation Plan (RTP)	
11	SLR River trail ownership and improvement issues	3/15/21 - Dir of Public Works said property not likely to be transferred to the City for a long time. Slurry seal is ok but more permanent fixes may be problematic due to ownership issues. City is potentially liable for suits in event of serious accident.
