5	Oceanside's Climate Action Plan (CAP) and its Transportation Demand Management (TDM) Ordinance and Plans	11/8/21 - Planning staff reported that they recently hired additional staff and are tackling some of the implementation steps. Staff also advised there will be an update to the CAP in the next year or so and the Committee can provide input on additional active transportation measures.

10	SANDAG's 5 Big Moves and their 2021 Regional Transportation Plan (RTP)	5/3/22 - With the RTP adopted in December, our best hope to have any influence on SANDAG's decision making is probably through participation in the Comprehensive Multi-Modal Corridor Plan process, and by continuing to submit grant applications to Caltrans.
